## **1 Executive Summary**

This deliverable gives the URL of the NARSIS project public website.

## **2 NARSIS Project website**

A public website (<http://www.narsis.eu/>) has been designed by BRGM to ensure the communication and dissemination activities of the project.

A private area hosted at BRGM and accessible through a login/password process only, is dedicated to the sharing of data and working documents among the consortium. It is also used for internal communication purposes: upcoming events (conferences, meetings, etc.), new deliverables, newsletters, minutes of the meetings and related presentations, exchange of information and discussions.
